

The Glyn Edwards Spiritual Awareness Foundation

PURE MEDIUMSHIP

A residential five-day seminar with respected tutors

Gerard Smith, Janet Glasgow, Sonia Driscoll and Richard Chapman

at The Lindum Hotel, Lytham St Annes, Lancs 23 – 27 April 2018

During this wonderful week you will be encouraged to look more deeply into yourself, your mediumship, your experiences and your potential, whether your interests lie within the trance states, evidential mediumship or spiritual philosophy. We will encourage all students to fully focus on their chosen field, with the support of a dedicated tutor who will guide you towards your full potential.

This seminar will assist you in understanding and exploring:

- Trance:** The development of the trance states, whether for spiritual philosophy, trance healing or trance clairvoyance – whatever comes naturally to you as you progress along this path.
- Evidential Mediumship:** For public demonstration and private sittings, working within your own natural awareness and abilities.
- Spiritual Philosophy:** Guidance on working with philosophy and inspiration in its many avenues will be encouraged and explored.

Students will be invited to take part in an evening demonstration in whatever their field of experience, i.e. trance, mental mediumship or philosophy.

Also during the evenings, the tutors will give a demonstration of evidential mediumship and Richard will give a trance demonstration. Also, Gerard will be sharing his vast experience with us all followed by a Q & A session.

There will be sittings available with the excellent medium Mary Smith and our course tutors, which may be booked between 5.15pm and 6pm on the Monday. Fee £35.

Join us for a hard-working, but fun and informative five days at the wonderful sea-front Lindum Hotel – a favourite venue of Gordon Higginson and Glyn Edwards in past years!

We welcome our newest member of the Foundation team, Carol Snapes, who joins us as the Bookings Secretary (07732 156287 or c.snapes@hotmail.com) so please contact her for a Booking Form. Fees £455 including full board and tuition fees. Deposit £75
